

Gladfield Malt Ltd.

721 Dunsandel Hororata Rd.

RD 2

Leeston, 7682

To whom it may concern,

All of the roasted malts produced at Gladfield Malt are made from New Zealand grown, non-GMO barley and wheat.

This is a natural product using only barley, water, air and energy inputs.

Thank you,

A handwritten signature in black ink, appearing to read 'R. Douglas Michael', written in a cursive style.
